This announcement is made by Laekna, Inc. (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to inform the shareholders and potential investors of the Company about the latest development of the Group.

To demonstrate its confidence in the Company’s business outlook and to create value for its shareholders, on July 1, 2026, the board (the “**Board**”) of directors of the Company (each a “**Director**”) has approved to repurchase the Company’s ordinary shares (the “**Shares**”) on the open market pursuant to the general mandate to repurchase Shares as approved by the shareholders of the Company (the “**Shareholders**”) at the annual general meeting of the Company held on June 5, 2026 and, where applicable, any future general mandate to repurchase Shares as approved by the Shareholders at the general meetings of the Company from time to time (the “**Repurchase Mandate**”). Concurrently, the Board has been informed that Dr. LU Chris Xiangyang, the chairman of the Board, together with certain members of the senior management of the Company (the “**Senior Management**”) intends to increase their shareholdings in the Company by purchasing shares of the Company on the open market. The Company and the Senior Management will conduct the proposed on-market share repurchases and proposed share purchase in compliance with the articles of association of the Company, the Rules Governing the Listing of Securities (the “**Listing Rules**”) on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and other applicable laws and regulations. The proposed on-market share repurchase will be funded by the Company’s existing available cash resources. The Company will subsequently cancel the repurchased Shares. The proposed share purchase by Senior Management will be funded by their own financial resources. These concurrent actions demonstrate the confidence of the Board and the management in the business outlook and prospects of the Company and will in turn benefit the Company and create value for the shareholders. The aggregate amount of the on-market share repurchase by the Company and the share purchases by the Senior Management would be up to HK\$56 million.

Shareholders and potential investors should note that the proposed on-market share repurchase by the Company and proposed purchase of Shares by the Senior Management will be subject to market conditions and will be at the absolute discretion of the Board and/or the Senior Management. There is no assurance of the timing, quantity or price of any repurchase of Shares by the Company or purchase of Shares by the Senior Management, or whether the Company will make any share repurchase at all, or whether the Senior Management will purchase any Shares at all. Shareholders and potential investors are advised to exercise caution when dealing in the Shares of the Company.
